COMMUNITIES: PLACES OF WORSHIP/SCHOOLS

YOUR FIRST NAME

WHO DID YOU ASK?

Using the photographs of local places of worship and schools in Rusholme and Victoria Park, ask your relatives if they can remember visiting these special places when they were young. What do they remember about their visits? Did they visit with their family? What is their favourite memory of school? Did they wear a school uniform? Do they still keep in touch with their school friends? If your relatives were born in another country or area, ask them about that neighbourhood. Write their memories in the space below.
